Paul Foster for all your Cartage needs from Brisbane to Sydney and
other areas if required

The truck being used is an Isuzu FRR550 flat-top with a 20 x 8ft tray and a 12 x
8ft trailer

The carrying capacity for the truck is 5.5 ton and has a ten (10) pallet capacity.
The carrying capacity for the trailer is 2.3 ton and has a six (6) pallet capacity.

Paul has discovered the need for a rigid and trailer combination to be able to
access some supplier's and receiver's premises.

Paul is 2nd generation in and around the transport industry with 40 years'
experience.

Please feel free to call when necessary.
